The business proprietary version shall enclose all business proprietary information in brackets and have the following warning marked on every page: "Bracketing of BPI not final for one business day after date of filing." The bracketing becomes final one business day after the date of filing of the document, *i.e.*, at the same time as the nonbusiness proprietary version of the document is due to be filed. Until the bracketing becomes final, recipients of the document may not divulge any part of the contents of the document to anyone not subject to the administrative protective order issued in the investigation. If the submitter discovers it has failed to bracket correctly, the submitter may file a corrected version or portion of the business proprietary document at the same time as the nonbusiness proprietary version is filed. No changes, including typographical changes, to the document other than bracketing and deletion of business proprietary information are permitted after the deadline unless an extension of time is granted to file an amended document pursuant to §201.14(b)(2) of this chapter. Failure to comply with this paragraph may result in the striking from the record of all or a portion of a submitter's document.
